# WE'RE HIRING

## APPLIANCE SERVICE TECHNICIAN IN DENVER

We are actively hiring Appliance Service Technicians at A&K Wholesale Appliance Distributing in Denver. We are looking for mechanically-minded individuals who have prior experience in residential appliance repair, are quick learners, and are able to do physical labor on a daily basis. Ideal applicants will possess a positive attitude, an eagerness to work, and great time management skills.

In this role, you will be repairing and servicing installed appliances at commercial properties throughout the metro area. Prior experience in appliance repair is a must for this role, but we will provide additional extensive training to ensure you can handle any kind of appliance repairs.

### JOB RESPONSIBILITIES

- Servicing and repairing appliances including refrigerators, washers, gas ranges, and more
- Responding to service requests in a timely manner
- Use diagnostic tools to accurately determine repair plans
- Teaching customers about their appliances, how to best use them, and how to maintain them
- Write service reports after every appointment
- Adhere to safety regulations and industry standards
- Collaborate with managers and other service technicians on additional repairs
- Completing other tasks as assigned/needed

### DESIRED QUALIFICATIONS AND SKILLS

- Strong oral and written communication skills
- Reliable time management skills
- Ability to work effectively as a team
- High school diploma or equivalent
- 1 year minimum of experience in appliance repair

### POSITION REQUIREMENTS

- Must be able to lift 50+ pounds
- Valid Driver's License with a satisfactory Motor Vehicle Record
- Must pass background check and drug test (we do not test for cannabis)

### WORK HOURS & BENEFITS

- 9:00 am-5:00 pm Monday through Friday
- No weekend hours. Overtime opportunities available
- Paid major holidays off
- 1 week of PTO after 1 year on the job
- Health and dental insurance
- 401k program

### PAY RATE

- Pay range is between \$19-\$24/hour
