

A&K Appliance

WE'RE HIRING

INSTALL HELPER IN DENVER & COLORADO SPRINGS

We are actively hiring Appliance Install Helpers at A&K Wholesale Appliance Distributing in Denver and Colorado Springs. We are looking for mechanically-minded individuals who are quick learners and are able to do physical labor on a daily basis. Ideal applicants will possess a positive attitude, an eagerness to work, and great time management skills.

In this role, you will be assisting our Appliance Installers with daily appliance installations. Prior experience in appliance repair is preferred, but not necessary for this role. At A&K, we will provide you with extensive training to ensure you can handle any appliance repairs or installations.

JOB RESPONSIBILITIES

- Moving, loading, and unloading appliances at commercial locations
- Installing appliances quickly, professionally, and safely
- Maintaining accurate records of receiving, warehousing, and distributing appliances
- Managing customer relations through face-to-face interactions
- Completing other tasks as assigned/needed

DESIRED QUALIFICATIONS AND SKILLS

- Strong oral and written communication skills
- Reliable time management skills
- Ability to work effectively as a team
- High school diploma or equivalent
- Experience in residential appliance a plus

POSITION REQUIREMENTS

- Must be able to lift 50+ pounds
- Must pass background check and drug test (we do not test for cannabis)

WORK HOURS & BENEFITS

- 9:00 am-5:00 pm Monday through Friday
- No weekend hours. Overtime opportunities available
- Paid major holidays off
- 1 week of PTO after 1 year on the job
- Health and dental insurance
- 401k program

PAY RATE

- Pay range is between \$18-\$22/hour
